

NOBLE-X

ELECTRICAL DISCHARGE MACHINE

Electric Discharge Machines (EDM) are cutting-edge tools used in the manufacturing industry to achieve precise and intricate machining operations. At Noble-X, we are proud to offer EDM services that cater to the needs of our customers when it comes to handling complex contours and achieving high levels of accuracy.

OUR SERVICES

Our EDM capabilities are supported by both Wire EDM and Sinker EDM machines, which are at the forefront of modern machining technology.

Our skilled team of technicians and operators at Noble-X possess extensive expertise in utilizing these EDM machines to their full potential. With our state-of-the-art equipment and meticulous attention to detail, we can achieve even the most challenging contours and deliver unparalleled results.
